

A Week in Paris with CSSO

8 days | 11 days with Bordeaux extension | Sep 21 2027—Sep 28 2027

Paris becomes your pied-a-terre for a week as you venture across the city—and use it as a launchpad to some of France’s most celebrated sites. Start in the City of Light with an included entrance to the Louvre, choose your own adventure with a guided tour of a hidden-gem museum beloved by locals, and take a day trip to Normandy for a kaleidoscopic jaunt through Monet’s gardens. In between, fill your time with optional excursions to Versailles, a glittering cruise down the Seine, and ample hours to roam the arrondissements in between bites of baguette. A classic French cafe hosts your farewell dinner, but if you’re not ready to say au revoir, tack on the tasty extension to Bordeaux.
